

# KUNDRATHU KUMARAN TEMPLE

குன்றத்து குமரன் ஆலயம்

(Rockbank Murugan)

Construction of our new Kundrathu Kumaran Temple is progressing well and we are now in the final stages of completing the Temple. We are all very excited and enthusiastic about completing the new Temple.

## Progress

Construction of inner shrines is progressing well. Plastering the roof of the Temple has commenced and will be completed by July 2010. We are also planning to install Water, Sewerage and Storm water systems for the Temple within weeks.

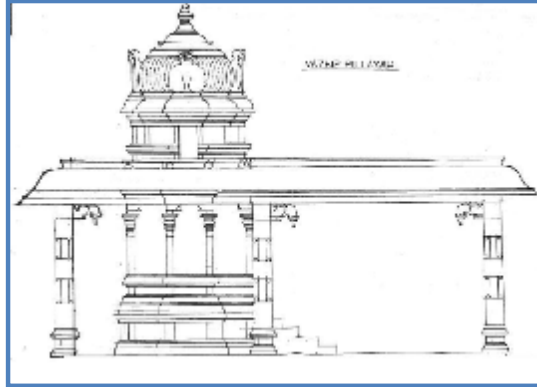

## Granite Idols

We have signed contracts with Indian artisans to carve Granite Idols for the Temple and the work is progressing well. We have also received some photographs of the Granite Idols that are already completed. We have also signed a contract with a very prominent South Indian manufacturer to make Bronze Idols and 'Kalasams' for the Temple.

## Vazli Pillaiyar Ceremony

We have obtained approval from the Melton Shire Council to build a shrine for Vazli Pillaiyar. Foundation Stone Laying Ceremony for the Vazli Pillaiyar Shrine (and the Auspicious Sankuthabanam Ceremony) will be held on Sunday, 5 September 2010. Please support this great event.

### How can Devotees Help ?

1. At this critical moment it is important for the devotees and well-wishers to appreciate that the funds we collect will keep the work moving fluidly and efficiently. This will also result in the completion of the Temple within the current time frame. We therefore urge all devotees not only to donate but also help raise funds from their friends and relatives.
2. We are appealing again for sponsorship of Shrines, sponsorship square meters and other donations. All donations will be directed to construction of the Temple. Please note that online payment option via PayPal is also available from the Temple website.
3. We enclose a list of Shrines and Deities still available for devotees to sponsor. We have just recently added many new Items to this list and we now have items ranging from \$ 750 to \$ 55,000 that you can sponsor. Full list of items that are already sponsored and still available are listed in our web site URL

Please view this list and also forward it to your family and friends who may wish to sponsor part of this new Temple.

Alternatively please send us a list of e-mail addresses of your family and friends to [contactus@tecca.org.au](mailto:contactus@tecca.org.au) so that TECCA can e-mail this list directly to them. We would also keep them informed of any important activities in the Temple.

Best Regards
